Hello!

Competitors, sponsors, fans and volunteers, welcome to Black Diamond in beautiful Southern Alberta Foothills! Events such as the Alberta Mixed Provincial Championships give us an opportunity to showcase our beautiful landscape and wonderful people!

I'm very blessed to call this corner of Canada my home and am grateful each time I return from Ottawa. Please take time between matches to check out the shops in Black Diamond's eclectic downtown where I am sure you will find unexpected treasures. I am sure you will find some of the warmest and most welcoming people you will meet anywhere.

I would be remiss without sending a huge thank you to the many organizers and volunteers who have made this event possible. Your contribution has allowed the curlers to feel welcome and enjoy their time in Black Diamond.

Good Curling!

Sincerely,
