

ALBERTA

Greetings:

On behalf of the Highwood constituency, the Alberta Provincial Government, my family, and myself, I would like to welcome and thank all of the competitors for coming to compete in the Alberta Mixed League Provincial Championships here at the Oilfields Curling Club facility in Black Diamond. In the coming days I am sure that everyone will have an incredible opportunity to experience some of the spectacular scenery, culture, residents, and shopping that make this area so special.

There is no doubt that the spectators and local area residents will have a great chance to experience some of the best curling has to offer. In all cases, our local volunteers have poured their hearts into making sure this event is world class, both in organization and in hospitality. I would also like to thank the local Oilfields Curling Club and the volunteers for hosting our visitors this week. Once again, to all of the competitors and coaches, we wish you good luck and good curling.
